

Color inspiration:

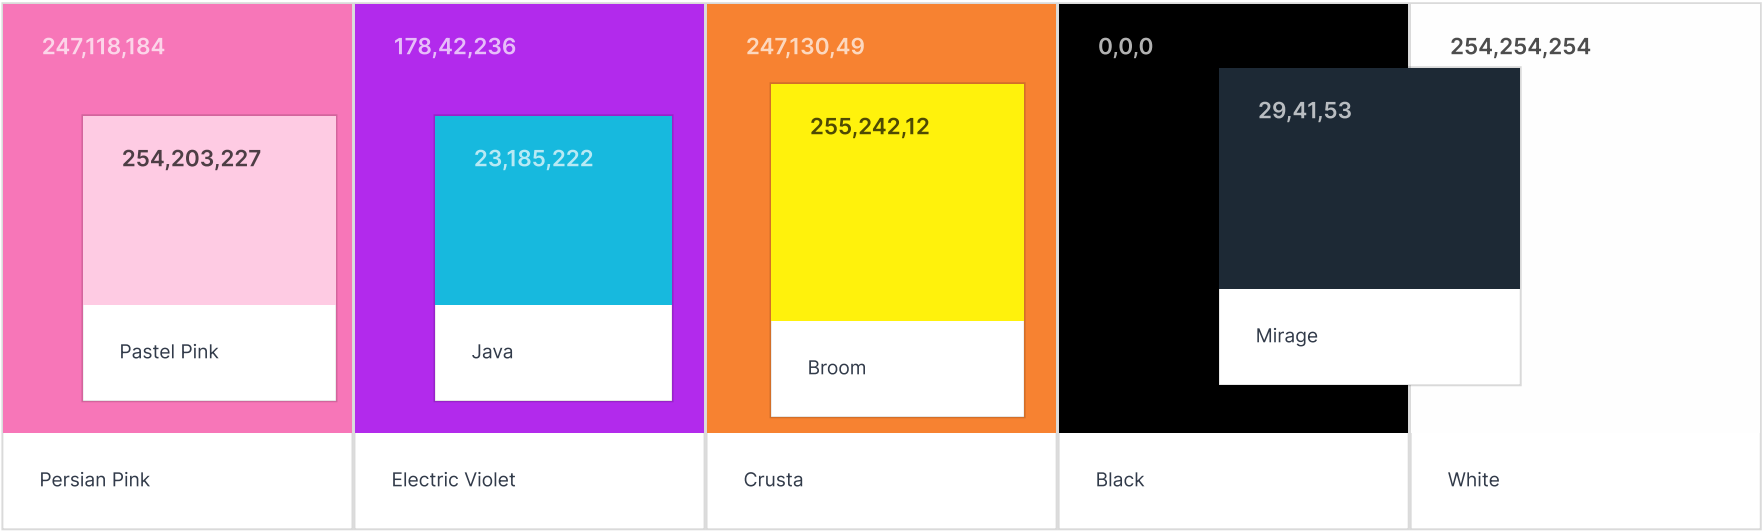

Animated potatos when you hover mouse on it

Want to have a dark/light mode selection

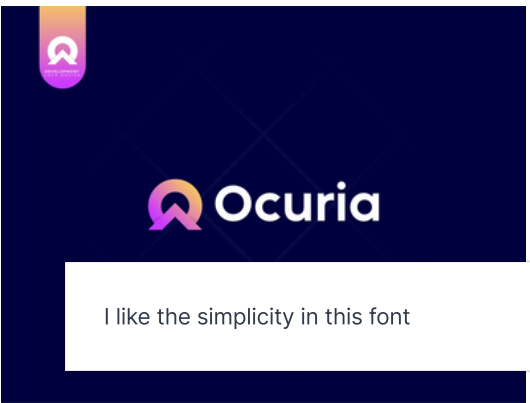

I want clouds in the header (pinkish et bubbly kinda style, maybe add 3D icons)

A potato by links account

Arial/Helvetica for big texts, play with Boldness, italic...

This one gives the bubbly cute mood I wanted

Might want 3D icons for links account/ or only potatos

For the hamburger menu:
3D hamburger icon
3D Cloud?

This one gives a much more mature font, it's simple
